Dear Dr. Ward + Pottstown Oral Surgery Staff,

Thank you so much for your excellent care during my wisdom teeth surgery. Everyone was so kind and helpful, making this process as easy as possible on the patient. You all are the best!!

Sincerely,

Erika Anderson

To All

Thank you for the outstanding service. That tooth was very painful and I do not know how I would have coped with it without the wonderful help everyone provided. As usual, Dr Ward did a great job.

Thanks again
